No sub-contractual purchase order, which the Vendor enters into with respect to performance of any of its functions under the Contractual Purchase Order, shall in any way relieve the Vendor of any responsibility for the performance of its duties. All payments to subvendors shall be made by the Vendor.

If a subvendor is utilized by the Vendor, the Vendor shall pay the subvendor within seven (7) working days after receipt of full or partial payments from the Department, in accordance with Section 287.0585, Florida Statutes. It is understood and agreed that the Department shall not be liable to any subvendor for any expenses or liabilities incurred under the sub-contractual purchase order and that the Vendor shall be solely liable to the subvendor for all expenses and liabilities under this Contractual Purchase Order. Failure by the Vendor to pay the subvendor within seven (7) working days will result in a penalty to be paid by the Vendor to the subvendor in the amount of one-half ( $\frac{1}{2}$ ) of one percent (1%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

**ATTENTION VENDORS: IMPORTANT, PLEASE READ**

The State of Florida is implementing a new web-based procurement system called "MyFloridaMarketPlace." This system is designed to streamline interactions between vendors and state government entities that purchase goods and services, and provides a user-friendly Internet portal where vendors can register, receive information on upcoming bids, post information on products and services, and receive purchase orders electronically.

The system allows vendors to communicate to a broader buyer audience, and will be implemented in a phased approach starting with the Governor's Executive Branch agencies. Subsequently, the system will be made available to public schools, universities, community colleges, and local governments.

Effective July 1, 2003, vendors must be registered in the system in order to conduct business with the State. If you have not had the opportunity to register, please log on to the MyFloridaMarketPlace website to complete the registration process. To access online registration, log on to [www.myflorida.com](http://www.myflorida.com), and click on the 'MyFloridaMarketPlace / e-Pro' link under 'Hot Topics.' Once on the 'MyFloridaMarketPlace' website, click on the 'Online Vendor Registration' link to begin registration. In order to register, you will need the following information:

- Company name
- Tax ID type and number – Social Security Number (SSN) or Federal Employer Identification Number (FEIN)
- Tax filing information – Including the business name on your 1099 tax form (where applicable)
- Location information:
  - A business name for each company location (if different from the company name)
  - A complete address for each location (including details for sending purchase orders, payments, and bills to each location)
  - A contact person for each of your locations
- Commodity codes that describe the products and/or services your company provides
- Your CMBE (Certified Minority Business Enterprises) information
- State-issued sequence number and PIN—available from DMS by faxing a request on company letterhead to 850-488-5498

**PLEASE READ THE INFORMATION CAREFULLY.** Part of the Vendor Registration activity includes a section on terms and conditions in which a vendor accepts an agreement to pay a 1% fee on all agency purchases effective July 1, 2003. This fee **does not apply** to existing contracts or those exempted by Rule 60A-1.032 (See [http://marketplace.myflorida.com/related/proposed\\_rule.htm](http://marketplace.myflorida.com/related/proposed_rule.htm)). Vendors will also still need to sign up for electronic notification in bids via the Vendor Bid System (VBS).

We look forward to working with you in MyFloridaMarketPlace. If you have any questions about the registration process, please contact the Vendor Help Desk at 1-866-FLA-ePRO (352-3776) or by e-mailing [VendorHelp@myflorida.com](mailto:VendorHelp@myflorida.com).

**FLORIDA DEPARTMENT OF CORRECTIONS  
PURCHASE ORDER INSTRUCTIONS**

**VENDOR INSTRUCTIONS**

**Transportation/Delivery**

All commodities purchased are f.o.b. destination, transportation charges prepaid, and no extra charges will be allowed for boxing, crating, packaging, insurance, transportation, assembling and in-place installation unless otherwise specified on the purchase order. A copy of a delivery ticket or packing slip must accompany each shipment, and the Purchase Order number must be shown on the copy.

The following commodity delivery schedule will be in effect; unless otherwise specified: Monday-Friday, excluding State Holidays, 8:00AM until 4PM. Items not delivered in accordance with the delivery schedule and date as reflected in the bid and/or purchase order are subject to refusal by the department. If delivery to purchase order destination(s) can not be made on or before the specified date, the vendor should notify the department's purchasing agent identified on the reverse side of this form if a waiver is desired. Substitute items may be delivered only when prior approval has been granted by the purchaser. The department assumes no liability for merchandise shipped to destinations other than those shown on the purchase order.

**Nonconformance to Specifications**

Any item delivered is subject to testing for compliance to specifications. Commodities delivered that do not conform to specifications may be rejected and returned at the vendor's expense.

**Invoicing**

Vendors should render invoices with an original and three copies for merchandise that has been delivered to the "invoice to" address shown on the purchase order, Attention: Accounting Department. All invoices shall include the purchase order number and the vendor's Federal Employer Identification Number. Under no circumstances shall any invoice be mailed elsewhere within the department. Invoices for merchandise are generally not subject to payment until all items on the purchase order have been delivered in satisfactory condition. Partial payments may be made on partial deliveries at the discretion of the Department unless otherwise specified in the bid or purchase order.

In computing discounts, time will be figured from the date of satisfactory delivery of the commodity or from the date that a correct invoice is received, whichever is later.

**Acknowledgment**

Additional or altered terms presented in an invoice will constitute a counter offer, conditional upon the express consent of the buyer. These terms shall be without legal effect unless expressly assented to by the buyer. Acceptance of shipment will not be deemed as acceptance of the altered or additional contract terms.

**Payment/Vendor Assistance**

Vendors providing goods and services to the department should be aware of the following time frames. Upon receipt, the department has five (5) working days to inspect and approve the goods and services, unless the bid specification, purchase order, or contract specifies otherwise. The department has 20 days to deliver a request for payment (voucher) to the Department of Banking and Finance. The 20 days are measured from the latter of the date the invoice is received or the goods and services are received, inspected and approved.

If a payment is not available within 40 days, a separate interest penalty set in accordance with Chapter 55.03, F.S., will be due and payable in addition to the invoice amount to the vendor. Payments to health care providers shall be made pursuant to Chapter 215.422(13), F.S. Interest penalties of less than one (1) dollar will not be enforced unless the vendor requests payment. Invoices which have to be returned to a vendor because of vendor preparation errors will result in a delay in the payment. The invoice payment requirements do not begin until a properly completed invoice is provided to the department.

A Vendor Ombudsman has been established with the Department of Banking and Finance to assist vendors who may be experiencing problems in obtaining payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 410-9724.

The Vendor Information System phone number is (850) 413-7269 or SUNCOM 293-7269. This system will provide payment information based on vendor number and invoice number and/or dollar amount. It searches for a match within the most recent 30 day period. This number also has a "0" out option if assistance is needed. The vendor ombudsman section will provide assistance.

**P.R.I.D.E.**
